

Property & Casualty Filings

August 22, 2024

TDI | Property & Casualty Division

TDI | What we do

- Regulate property and casualty insurance products sold in Texas.
- Review filings – forms, rates and rating rules, credit scoring models, and underwriting guidelines.
- Collect and review data.
- Publish reports.
- Monitor residual market insurers.

TDI | Reviewing filings

Prior approval

- Policy forms.
- Endorsements.
- Certificates of insurance.

File and use

- Rates/rules.
- Credit scoring models.

Use and file

Underwriting guidelines.

There are exceptions. See [Filings Made Easy Guide](#) for more information.

TDI | General standards – rates

- Adequate and sufficient to pay claims and expenses.
- Not excessive.
- Based on sound actuarial principles.
- Reasonably related to all costs (expected losses, expenses).
- Not based on insured's race, creed, color, ethnicity, or national origin.
